

VISION, MISSION, AND VALUES POLICY STATEMENT

Our Vision Is

To build a world-class fleet of VPU's to serve the needs of the oil and gas industry.

Our Mission Is

To turn uneconomic oil and gas resources into positive reserves by providing innovative and cost-effective solutions.

Our Values Are

Safety	Safe, reliable and compliant operations that do not cause harm to people or the environment
Integrity	Trusted Knowledge, experience and expertise, ensuring we deliver on our promises
Versatility	The ability to adapt to situations and meet the changing needs of our clients
Innovation	Creative progressive solutions evolved from proven technology
Reliability	Delivery of projects on schedule, within budget and without risk to people, the environment or assets

The Amplus Vision, Mission and Values will be communicated to all staff, and be available to the public. This document will be reviewed every two years to determine if it remains suitable and operates as intended.
